Manuscript checklist

☐ Spell check has been performed.

  Text is left justified.

  The numbers in the Abstract are consistent with the numbers in the Results.

  The Results section report of the measurements described in the Materials and Methods section

  Read the manuscript aloud to yourself. Does everything read smoothly? Is it easy to understand? Does something sound odd in terms of language, presentation, facts, or context?

  The manuscript addresses the “So what?” question? (Why should anyone care about this paper?)

  Limitations are discussed at the end of the discussion.

  The study answers the question posed in the introduction.

  The manuscript is consistent (e.g., the abstract, introduction, results, discussion, tables, and figures are internally consistent).

  The conclusions are supported by the data?

  The conclusion in the abstract is the same as the conclusion in the discussion.
