

# Why choose VCU for Infectious Diseases Fellowship?

- 10 The nation's happiest city, boasting great cost-of-living & the gorgeous James River—whitewater rafting within city limits!
- 9 Richmond is a hipster mecca! VA Museum of Fine Arts has free admission & is open daily. We are host to the symphony, opera, folk music, musicals, soccer, minor league baseball & more!
- 8 One of VA's largest universities, with a 1,125 bed hospital & colleagues across all subspecialties. Our ID fellowship program has 48 years of proud history! VCU Medical Center was recently named the #1 Hospital in the state of VA & in the Richmond metropolitan area by US News and World Report.
- 7 **HAVOC LIVES HERE!** The VCU Rams Men's Basketball team leads the nation in steals & excitement!
- 6 Large, diverse patient population in two different hospital systems, a broad spectrum of fascinating cases at VCU. Rotations in travel ID, HIV, transplant ID, ortho ID...
- 5 Great learning atmosphere, ancillary support & a manageable workload.
- 4 A foodie paradise! Bacon, Greek, French, Italian, Lebanese, Moonshine & even Watermelon festivals (to name a few). Other events, French Film Festival, UCI Road World Cycling Championships in September 2015!
- 3 Lots of local conferences, journal clubs & division grand rounds; we even have onsite clinical microbiology. With opportunities to attend state, regional, or national meetings each year, learning never stops!
- 2 Weekly didactics & board review sessions. ID has a 100% board pass rate!
- 1 Cool colleagues! You'll be working with the best & brightest faculty & fellows in the country.
