Claire’s Place Foundation
If you or your family is in this extended stay position (usually 14 consecutive days inpatient in the calendar year, though being home with IV antibiotics can count), please apply for financial assistance to help with mortgage, rent, utilities or any other basic necessities by asking your hospital worker to reach out to us by sending a letter of referral on your behalf.

Your social worker is Ansley Clarke, MSW, 804-828-8676. Your first step is to contact her. She will help you sign a release of information, write your letter, and send it to Claire’s Place.

Once the letter is received, an application will be sent in reply to be forwarded to the family. The number and amount of assistance will be determined by the board of directors depending on the amount of funds available at the time the application and referral are received.
