**Financial Assistance**

To apply for a financial code, Disability, and/ or Medicaid (financial assistance):

VCU Financial Counseling is available at (804) 828-0966

You will begin the process by filling out an application with a counselor. In addition to the application, you will need to provide proof of your income/lack of income. You should bring with you bank statements, statement of unemployment earnings, statement of disability earnings, pay stubs if working, recent tax return, notarized letter of income, etc. If you currently have no income, you should bring a friend (or anyone not related to you) with you who can fill out a “no income letter” that verifies that. Your friend will need to bring a picture ID to have the letter notarized. Based on your income, the hospital will pay a percentage of your bill and medication costs.

**To apply for disability:**
